September was another great month for LearnKey students. In September our students hit the following milestones:

Industry Certifications

Earned: 106

Programs Complete: 8

Students Employed YTD: 76

Remember as we are all adjusting to our "new normal" and COVID-19, we want to let you know you can count on LearnKey being available to help you meet your educational and professional goals.

Pharmacy Technician Certificate

With Pharmacy Technician training, you will assist licensed pharmacists in providing medication and other healthcare products to patients. Pharmacy technicians create and update patients' health and insurance information in the computer, communicate with insurance carriers to obtain payment for prescription claims, and measure, mix, package, label, and deliver

drugs.

For more information contact our [Enrollment Team](#).

Online Medical & Business Programs

LearnKey is offering Allied Health and Business Programs for our VR&E Veteran Students who are looking to receive employment in the Medical, Paralegal, or Business fields.

Here are some of the programs being offered:

- Medical Billing and Coding
- Medical Office Administrative Assistant
- Pharmacy Technician
- Business Accounting
- Paralegal Studies

Please reach out to the [LearnKey Enrollment Team](#) by phone or email if you have a veteran that would like to enroll in any of these programs or simply wants to find out more information about the programs.
