Be Proactive Be Dedicated Be Resourceful

[COURSE CATALOG](#) | [BLUE OCEAN PROGRAM](#) | [CONTACT US](#) | [TUTOR SCHEDULE](#)

October was another great month for LearnKey students. In October our students hit the following milestones:

Industry Certifications

Earned: 1120

Programs Complete: 5

Students Employed YTD: 81

Remember as we are all adjusting to our "new normal" and COVID-19, we want to let you know you can count on LearnKey being available to help you meet your educational and professional goals.

Medical Records Tech Certificate

Each time a patient receives a healthcare service a record is kept of the intervention and treatment outcome. A Medical Records Technician organizes all of this documentation for future use. Many medical practices see a large number of patients. This creates a vast amount of documentation that someone familiar with various filing techniques must maintain. A Medical Records Technician is

well-acquainted with many aspects of a medical practice, especially medical records. For more information contact our [Enrollment Team](#).

Online Medical & Business Programs

LearnKey is offering Allied Health and Business Programs for our VR&E Veteran Students who are looking to receive employment in the Medical, Paralegal, or Business fields.

Here are some of the programs being offered:

- Medical Billing and Coding
- Medical Office Administrative Assistant
- Pharmacy Technician
- Business Accounting
- Paralegal Studies

Please reach out to the [LearnKey Enrollment Team](#) by phone or email if you have a veteran that would like to enroll in any of these programs or simply wants to find out more information about the programs.

LKVS Students Hired!

Employment is our #1 goal with each of our students. Take a look at the job title of some of our newly employed students.
