March was an amazing month for LearnKey students. Last month our students hit an all-time record by earning 133 certifications during the month of March! They did this by taking advantage of all of the opportunities and resources available.

In March our students hit the following milestones:

Industry Certifications

Earned: 133

Programs Complete: 33

Students Employed YTD: 31

We want to let you know you can count on LearnKey being available to help you meet your educational and professional goals.

Word 2019

The Word 2019 course demonstrates how to use the software to create eye-catching resumes, well-formatted cover letters, engaging newsletters, and more.

The course covers creating and managing documents; formatting text, paragraphs, and sections; adding tables and lists; creating and managing references; inserting and formatting graphical elements;

and effectively collaborating on documents. Users will improve their overall employability while preparing for the Word 2019 certification exam.
