April was an amazing month for LearnKey students.

In April our students hit the following milestones:

### Industry Certifications

**Earned: 133**

**Programs Complete: 33**

**Students Employed YTD: 31**

We want to let you know you can count on LearnKey being available to help you meet your educational and professional goals.

## PowerPoint 2019

The PowerPoint 2019 course teaches a step-by-step process of how to create and manage presentations and slides; insert and format text, shapes, and images; and apply transitions and animations. Techniques to insert tables, charts, SmartArt, 3D models, and other media are also taught.

The PowerPoint 2019 course includes ways to create new presentations through using templates, themes, recent, and blank presentations. Users will improve their overall employability while preparing for the PowerPoint 2019 certification exam.
